Minister's Message

Dear Friends,

Thank you for the generous gift (check) you gave me this Christmas! I appreciate this. I also appreciate the gift Susan McAdoo gave us on Christmas Eve —the U-Tube Christmas Eve Candlelight Communion Service. This took a lot of work (creativity and technical skill) on her part. She said, on Sunday, that over 100 people had viewed it. Each viewing, of course, may have been multiple people who took it in. This service, that has been traditionally held in the confines of the church building, went out to homes here and abroad. Our family in Japan enjoyed this all evening, looped on their large screen TV Christmas Eve. Also, it has been shared on face book by some. The amazing part for me is that it is still available to people around the world to take part in our Christmas Eve service of 2020. The gospel works that way. The more oppressive forces come to bea on the church the more its message spreads. We can give thanks, therefore, for the Pandemic.

God bless you and I love you.

Steve
